January 5, 2017

Dear Exhibitors:

On our website <http://home-gardenshow.com/exhibitors> you will find papers and forms pertaining to your participation in the upcoming Fort Wayne Home and Garden Show, March 2-5, 2017.

Please look these forms over and read the Exhibitor Manual. The Exhibitor Manual will be able to answer most of your questions.

If you are in need of forklift service, carpet, signs etc., there are forms from our decorator so that you can rent them.

You will be receiving 10 complimentary tickets and a stack of \$2 off coupons via snail mail. You can use these however you would like. You can also order more VIP tickets at \$5 each. That is 50% off admission price.

Lastly, you will be getting your move-in times and door information in February, so please keep your eye out for that information as well.

Have a new product or service that you will be featuring at the show? Let us know about it! We often get asked, "What is new this year?" We would love to tell the media! It may lead to a feature spot on the radio and/or tv as well! If you don't tell us, we don't know!

Please let us know if you have any other questions.

Sincerely,

Becky Williamson and Karen Tejera

Show Producers
